About Us

SMEQA is a project application based on the need of BH society for resolving the issue of accreditation of study programmes, improving Quality Assurance system at higher education institutions and capacity building at all institutions in B&H for the future process of accreditation.

The project activities are focused on institutional and national strengthening of accreditation mechanisms, harmonization of processes in B&H and systematic implementation of the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG).

Consortium

The project Consortium consist of 17 institutions respectively: 7 universities from Bosnia and Herzegovina, 4 competent educational authorities (ministries), 2 Universities from EU, 1 higher education agency from BIH, 2 higher education agencies from EU and 1 centre for information and recognition in higher education (BIH enic-naric).

Co-funded by the
European Union

Project outputs are oriented on detailed analysis of current state in B&H, strengthening of Agencies, Ministries and HEIs through developing, improving and implementing the model for study programme accreditation, improving, coordinating and harmonizing current affairs of accreditation process in B&H at various levels, establishing mechanism of coordination and harmonization of QA system in higher education in B&H, developing Recommendations for regulating the internal evaluation procedure and offering trainings of experts from the list of HEA.

7 universities from Bosnia and Herzegovina, 5 competent educational authorities (ministries), 2 higher education agencies from B&H, 2 higher education agencies from EU and 1 centre for information and recognition in higher education (B&H enic-naric).
